

December 21, 2020

Dear Members, Volunteers and Friends,

It could be said that 2020 was an extraordinary year for the Auburn Senior Center (ASC) and the community we serve. In September 2020 a crew loaded the belongings of ASC into storage containers to be stored until we can reopen. Though our doors are closed to in person activities, the ASC Board and staff continued to develop plans for 2021 including a new location, online education and activities and a safe reopening. This fall, we hired a local marketing group to assist in getting the message out to reopen the Center. ACDC Group was selected and a marketing strategy was developed to get the urgent message out for permanent Center housing options.

You may ask, how can you assist with this process? A petition will be presented to the Placer County Board of Supervisors in January 2021, and I would greatly appreciate your support. Please review, sign and mail back the enclosed petition letter. In addition, if you are able, by making a donation you can support funding the reopening. Finally, if you know of a potential relocation site please let me know. We are looking for the following type of location: (1) affordable site in & around the Auburn area, (2) ADA building accessibility, (3) 4,000-5,000 square feet of building space, (4) ample & accessible parking, & (4) a kitchen would be ideal. If a location of that size isn't available, then a location with at least 3,000 square feet could be a potential, though far less desirable option.

My appreciation goes out to each and every one of you. I have received many calls asking how you can help find a new home for ASC. You can help by sharing our story, signing & returning the enclosed petition, and/or making a donation. I appreciate your continued help and support to get us through these tough times toward a brighter 2021.

On behalf of myself and our Board, we wish our members, faithful volunteers and all extended supporters of the ASC family a wonderful 2021 of safety and good health!

Gratefully yours,

Denise DiMiceli
